GUIDE RAIL 1400 MM

1400 x 200 mm

- Guide rail enables parallel plunging of the saw blade and smooth guidance of the saw
 - Integrated rubber lip prevents tearing of cut edges
 - **Suitable for PL55 and PL75 plunge saws**
- Article number: 4901802701
EAN: 4014915075158

EXAMPLES OF USE

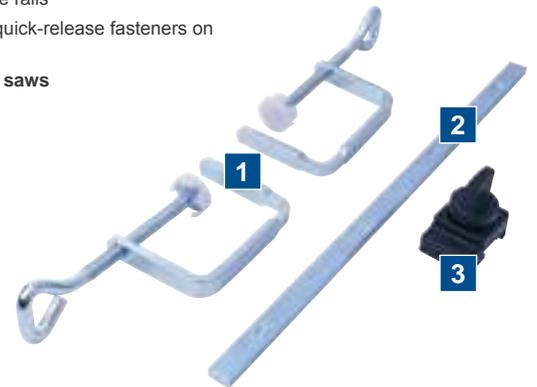

ACCESSORY PACK FOR PLUNGE SAW PL55/PL75

INCLUDED

- 1 2x screw clamps
- 2 1x rail connector
- 3 1x Anti-kickback guard

- Accessory pack for plunge saws consisting of 2x screw clamps, rail connectors and anti-kickback device
 - Ideal for use in combination with guide rails
 - Simple and tool-free fixing thanks to quick-release fasteners on screw clamps and non-return valve
 - **Suitable for PL55 and PL75 plunge saws**
- Article number: 3901802702
EAN: 4046664013990

APPLICATION EXAMPLES

1 Screw clamps

For attaching the guide rails to a workbench or directly to the workpiece.

2 Rail connector

Enables a stable connection between two guide rails to extend the work surface.

3 Anti-kickback guard

Reduces and dampens potential kickback or prevents the plunge saw from rising when plunging into the material.
